Financial report NEALT 2008

I have inspected the accounts for NEALT for 2008 provided by the Treasurer, Joakim Nivre. The Association had an income of 17.00 SEK resulting from interest on bank deposits. The Association's expenses were 625.00 SEK resulting from bank charges on its bank account. This results in a positive balance of 8072.98 SEK to be carried over to 2009. (The balance carried over from 2007 was 8680.98 SEK.)

I propose that the Association's Executive Committee approve these accounts.

Robin Cooper
Auditor
