Skriveoppgave 1

Tenk deg at du går tur og kommer til et spøkelseshus. Skriv en tekst til klassen om hva som skjer.

En gang for lenge siden var det 10 barn, de heter [F1], [F2], [F3], [F4], [F5], [F6], [F7], [F8], [F9], [F10], og jeg hadde bursdag i dag. Vi skulle feire på skolen, alle hadde kommet i der skulle alle bli liggende i selene på skolen. Vi gikk ned og det var 6 som sprang opp, de andre som var igjen gikk forresten i går og der lå de dør de var i nesten langt, og de som var inne skulle gå ut men alle prøvde å komme seg ut men alle dørene var låst. I alle grunn for det var de reddet og 6 barna løst på seg. Men de som var i selene klarte å komme seg ut av selene, men de prøvde

å komme seg ut på loftet og der ble de
ned fra taket. når de var der så
så de folk etter en lang stund.

de andre var og de andre som
var på loftet. de kom ned og
de alle prøvde å komme seg ut
og de klarte det ikke. de var
inneslengt for alltid. men neste

morgen prøvde de igjen og de
klarte det og kom seg ut
og de sprang ut alle skoler og hjem.
